## **Actions from May Minutes:**

Number	Action and Update	Actionee	Date Due
1	Prepare a flowchart to illustrate the role of NDC & Board in preparing recommendations.	AM	August meeting
2	Chair June NDC meeting	Nigel Spike	Complete
3	Contact Drew Stevenson re First Class and Examiner – <i>discussions regarding First Class candidates and course.</i>	AM	Complete – new action

	<i>DS happy to take this forward</i>		
4	Advertise NDO role and other vacant Director roles – <i>two notes of interest for Director roles, but none for NDO role.</i>	AM	Ongoing
5	Consider joint meetings or workshops	AM + NDO	When new NDO in post
6	Regional Instructor Course – <i>see below</i>	GF	October
7	Communicate buddy breathing ascent training changes via letter and website – <i>communication issued to all Instructors, BDOs, Secretaries. July Scottish Diver to include details.</i>	AM / HQ staff	Complete

## Annual Plan Update

- Regional Instructor Course – GF advised that the likely date is 24-26<sup>th</sup> October, at Cumbrae. 8 candidates have been recommended by RCs including some candidates who could not attend last year. GF to liaise with Examiners to deliver course and compile course material. RCs are asked to help identify any other candidates for RI course. GF to prepare a budget for Board approval.
- For clarity, the current assessment requirements for RI candidates is as per Qualification Record Book.
- NS advised that an Examiner course was ready to run and suggested a Saturday in August. NS and TC offered to assist. AM to liaise with DS.
- BS asked about the purchase of a training defibrillator. However, since members will not have access to one following the course, and it is not required to teach the First Aid or Heartstart courses, it was not felt essential to purchase.
- BS also advised of a requirement for a projector screen for course delivery. DL offered to donate a spare one he had.
- Nitrox course - We are aware of outstanding issues from a previous course. AM to follow up. HQ staff to liaise with ITDA re future course dates.

## Summer Solstice Event

- Marion has been coordinating the event, and confirmed arrangements. Poster was sent to all Branches.

## Training Schedule Review

- NS led a discussion to review the latest version of the Branch Diver and Sport Diver award drafts. Some areas included the inclusion of a controlled buoyant lift for Branch Diver level.
- AM clarified the timescale for proposal to next years AGM and that the NDC should aim to finalise the proposal and documents in November / December for presentation to the Board at their meeting in December or January in order that the proposal may be issued with the AGM papers.

## AOCB

- A Have Your Say query was received re standardised sport and master diver lecture assessments. Various versions of assessment papers are available, but no coherent set was available. SP to look at options for online compilation using a 'bank' of questions.
- JC highlighted an issue regarding powerboat courses being advertised by local authorities, which are for non flowing inland waters only and not for open water or sea conditions. He was aware of some members who had attended the course after seeing the advertising material but were unaware of the limitations prior to attending the course.
- Clarification of byelaws statement on appointment of training personnel.
- It was reported that Walt Deas, honorary life member of SSAC passed away recently. AM will be writing to his widow to convey our thoughts and appreciation for his involvement in SSAC.
