

Foreign Wide Angle Winner Diver and Octopus - Egypt

Walt & Jean Deas Competition Back With A Bang

LOOKING AT the trophy I had not realised it had been quite so long since the competition had been run. The last winner was Jim Watson in 1997 and in those days it was slides only which meant having them pre-judged here and only sending a short list to Walt for final judging which took weeks.

Now with it being digital it was so easy and we were able to send all the pictures to Walt and Jean for judging. Although it was a fairly small entry, Walt was pleased with the quality of the pictures.

Anyway on with the results starting with the Scottish sections:

SCOTTISH CLOSE UP WINNERS

- 1 **Dancing Golden Sunstars**
Mike Clark
- 2 **Life in the Jellyfish Blender**
Alistair McCulloch
- 3 **Velvet Swimming Crab**
Alison Fuller-Shapcott

SCOTTISH WIDE ANGLE WINNERS

- 1 **Diver and Crab**

- 2 **Diver and Sunstar**

- 3 **Cod at St Abbs**

FOREIGN WIDE ANGLE WINNERS

- 2 **Diver and Clownfish (Egypt)**

So overall winner of the Trophy for 2008 is Mike Clark who won all four sections, however congratulations to Sandy, Alison and Alistair for their second and third places. Thanks to all those who took the trouble to enter and we look forward to next year
