

going overboard

the recommendations made by Sheriff Small at a fatal accident inquiry into the death of Lynn Herriot in May 2006, the Board and National Diving Council will be issuing additional guidelines for try-dives and some aspects of training. Details will be circulated to all members and Regional Coaches will be contacting Branch Diving Officers to answer any questions they may have on implementing them.

Meanwhile work on the new training schedule has been interrupted while project manager Sam Paske gets married, congratulations to Sam and Graeme and best wishes for a happy future together. Another new start, well sort of, Hazel McBride who has been our Administrator for the past two and

a half years has decided her future lies over the border. Commuting from the south side of Glasgow is hard enough but from England, we just don't pay her enough.

Anyway Hazel is leaving in July and we wish her well and will miss her unflappable presence, pleasant disposition and general efficiency around the office. Personally I'd like to thank her for all the help she gave me during my stint as Chairman. Again thanks to Hazel and we wish her and Calum happiness in their new life down south. Enjoy the good weather while it lasts I expect by the time you are reading this it will be back to the usual, drierch.
