

Board Vacancy

The Board of Directors of ScotSAC is seeking to co-opt to the Board, with a view to being elected to the Board at the A.G.M., a person to fulfil the role of Treasurer for the Scottish Sub Aqua Club.

The role involves overseeing the business accounts and presenting financial reports to the Board on a regular basis (See attached Role Description - page 5).

The Treasurer works very closely with the Operations Manager who manages the accounts on a day to day basis. Distance need not be a deterrent, although the ability to visit the office from time to time outwith regular monthly Board meetings is an advantage.

Skills in book-keeping or financial management or using Excel spreadsheets are useful, but not necessary.

This is an opportunity for perhaps an existing branch treasurer to further their experience and be involved in the running of a Sport Governing body. Training in many aspects of management may be available to access and can be a useful addition to a C.V.

Any member who wishes to express an interest should contact the office in the first instance.
